# THE DUTCH TOUCH

---

2017 WAS A TREMENDOUS  
YEAR FOR ZANTOS.  
WE WORKED ON A HOST  
OF NEW PROJECTS AND  
SEEING THE BIG SMILES ON  
OUR CLIENTS' FACES AFTER  
COMPLETION WAS ALWAYS  
AND REMAINS THE BEST  
PART FOR ME.

“ I am excited about 2018 as we are launching our new website with a new rebrand concept. Thanks to Grofuse for fantastic work on our new website and the OuiCannes Design team for their expertise in designing our new logo. I am also thrilled that our team has expanded both here in France and in the Netherlands. You will meet them one by one in our series of newsletters over the coming month.”

A big thank you to all of our clients for placing your trust in ZANTOS. I look forward to an exceptional year of creating more personalised living or work spaces together with you - always in harmony.

## WHAT'S NEW?

### 'BUSINESS PERSON OF THE YEAR' AWARDS

This past year, I was delighted to be nominated and shortlisted as 'Best Businessperson of the Year' by the prestigious Riviera Business Club. I was both honoured and humbled to receive the nomination and to have come in second place among the very deserving nominees!

I owe a special thank you to RBC President George Kasilyke for his encouragement and support of start-ups, and business networking on the French Riviera.

Ernst Jan Zantingh from Zantos Interiors & Exteriors, Nicholas & Barbara Basalgete from Badaboom and Antonia Beauvoisin-Brown from Kidooland with host Mark Dezzani.

ZANTOS AT WORK

# BACK IN ACTION

**H**ow nice it is to start a new year with a rewarding decoration project in one of our favorite towns on the French Riviera, Theoule sur Mer.

A decoration project is always a quick and easy way to create a new ambience in your home or office. Integrating natural elements, such as fresh houseplants, dried ornamental arrangements, signature vases, curtains, bed covers, throw pillows with different textures, new art, etc. can make a world of difference.

Done correctly, decor pieces add to the general feeling of the ambience of a room and give the space a feeling of balance, mood and personality.
