THE DUTCH TOUCH

SPRINGTIME IS A
BEAUTIFUL TIME AND A BUSY
TIME FOR ZANTOS.

The season has officially begun with glorious weather, vibrant energy and many events. ZANTOS is busy working on new renovation and decoration projects on the French Riviera, the Netherlands and in Spain, attending key events, and creating new collaborative events with our partners. It's a busy time, but that's how we like it!

Our requests for exterior furnishings have started to pour in and we are quite excited because our exterior suppliers have outstanding furniture this season. From parasols to loungers, the new exterior furniture styles and quality are the best I've seen yet.

Get in touch with me soon if you want to make the most of this summer with a whole new look and feel for your garden or home!

MEET THE TEAM

OUR HAPPY MARKETING GURU FROM IRELAND

Meet Sharon Farren. We were so fortunate to have Sharon help us launch and lead the ZANTOS rebranding project as she was our secret weapon with her extensive international project management expertise in sales, marketing, brand equity and neuromarketing to name just a few. Her impressive track record with developing strategy and tactical marketing plans along with her animated Irish sense of humor is what kept the ZANTOS team on track for the launching of the new brand. As this was an internationally based project between the Netherlands, Ireland and the South of France, Sharon was key in our success as a team!

“

The ‘Dutch Touch’ was the obvious choice for rebranding ZANTOS. What else!!”

SPOT ON SUPPLIERS

ROUND by designer Francesc Rife for POINT.

This spring and summer season we have our eyes on **POINT**, a Spanish company specializing in stylish and luxuriously comfortable exterior furnishings. We love the soft wooded frame on these lounge chairs.

Girasole Evolution

We also are staying cool in the shade with these top of the line layered parasols by **Garden Art Firenze**. Girasole Evolution blends style with technology that’s elegant yet strong.

WHAT'S NEW?

SUNDAY AT VILLA ZANTOS

ZANTOS Interiors & Exteriors and Karin Van Os Concepts had the pleasure of hosting a Sunday Networking-Socialising event at Villa ZANTOS with the collaboration of the Riviera Business Club and the International Club of the Côte d'Azur.

We decided to bring our partners, clients, friends and the ZANTOS team together for an afternoon in the panoramic garden with live music by recording artist Penny Mac, art by artist Karin Van Os, international food and wine by Events by George.

It was a sensational afternoon where we had the opportunity to share and show the types of ambiances that ZANTOS can create. We absolutely love bringing people together in a beautiful place to enjoy a harmonious moment.
